k. **Description of Request:** The applicant proposes to surrender its exemption for the project. The applicant states a flood in December 2015 caused the dam to collapse and damaged the project's generating equipment, and rebuilding the dam and replacing the generating equipment would be uneconomical. The applicant has been working with The Nature Conservancy, U.S. Fish and Wildlife Service, Alabama Department of Environmental Management, Alabama Department of Conservation and Natural Resources, and the Alabama State Historic Preservation Officer to develop its surrender application. Following surrender of the project, the applicant would donate the project lands and works to The Nature Conservancy, and has an Options Agreement with The Nature Conservancy for this donation.
